

SCOIR

Ms. Cruzado

Scoir

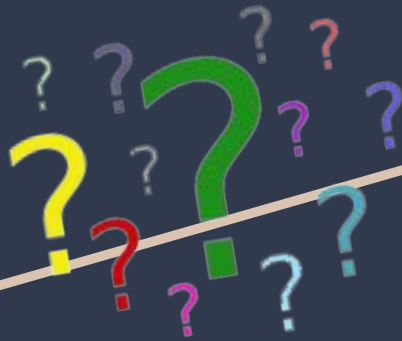

/ score /

Irish Gaelic verb

to exit, retire, or transition from one phase to another.

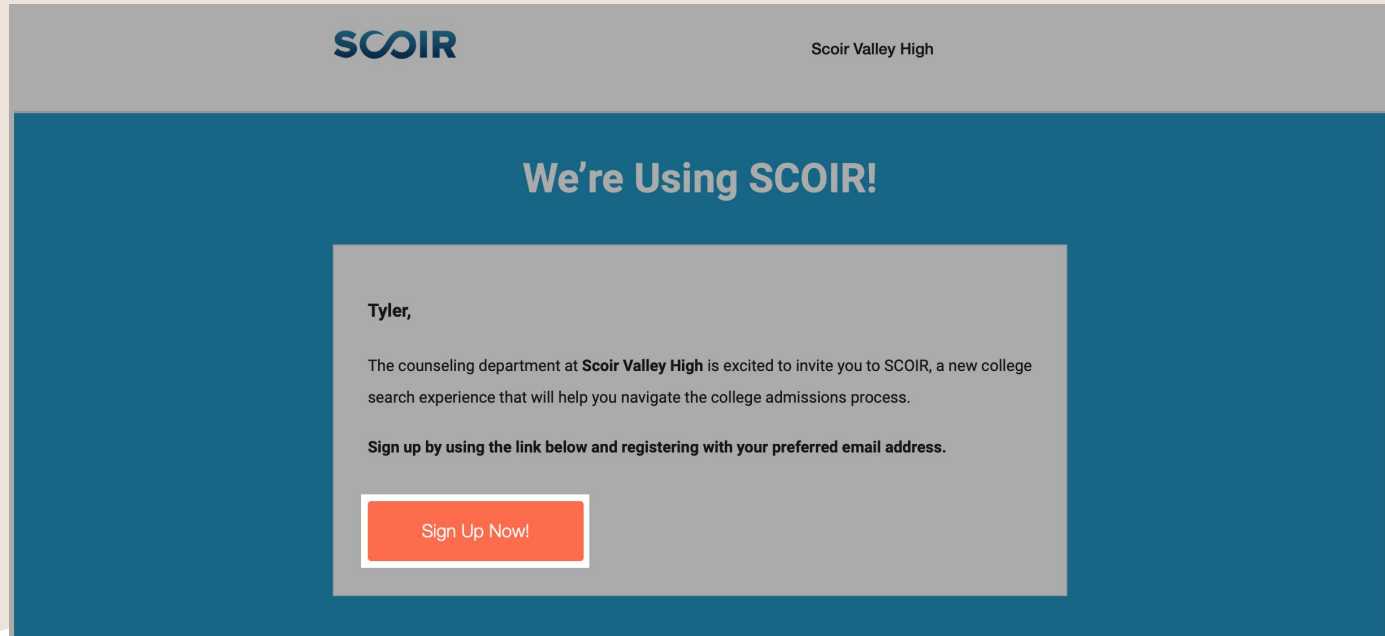

So what is **SCOIR** anyway

- **SCOIR** is a new college planning system to help guide you through the college selection and application process
- **SCOIR** is a way better way to understand yourself, your unique talents, and see how that translates into majors and/or careers
- **SCOIR** helps you search for colleges/universities/trade schools based on your personal and academic interest, build school list, and virtually explore campus communities
- And when you're ready, **SCOIR** will keep all of your application documents in one safe place and help you apply to the schools of your choice!

Your SCOIR Account

- If you haven't already created your account, you just received an invitation via email with the subject "Introducing SCOIR"
- Open the email and simply create a password for your new account

Your SCÖIR Student Profile

→ Your profile helps your counselors and teachers understand you beyond your grades and test scores.

→ You may NOT have access edit or change certain things: GPA, standardized test scores, ect.

👍 Nice to Have

☹ No Thanks

🗑 Delete

- Setting College preferences will help you customize your **SCOIR** profile
- By adding criteria to the “Must Have” column, you can ensure only colleges matching that criteria will populate

★ Must Have

 Personal Interests & Activities	 Academic Focus
 Degrees	 Distance/Location
 No. Undergraduates	 Athletics
 Test Scores / Acceptance Rate	 School Type / Religious Affiliation
 Campus Setting	 ROTC Programs Offered

- Anything added to the “Nice to Have” column will filter to the bottom of the list and anything in the “No thanks” column will not populate at all.
- These can be moved around columns, deleted, and changed as you please.

SCOIR College Details Pages

→ The College Details pages are the central location for all information available for a college on **SCOIR**.

→ Here you will find the the following sections:

College Details Overview

→ you can take a virtual tour by clicking the play button in the college's header.

Admissions

→ contains data on SAT/ACT scores, acceptance rate, application requirements, deadlines, etc.

Academics

→ contains data on the college's undergraduate degree types, popular majors, and all fields of study.

Location & Transportation

→ contains a map of the college's location, address, and nearest forms of various communication types.

General Information

→ contains details on acceptance rates, tuition, school type, setting, religious affiliation, residence, etc.

Student Life

→ Contains info on number of undergrads, retention rate, & diversity data

Cost & Financial Aid

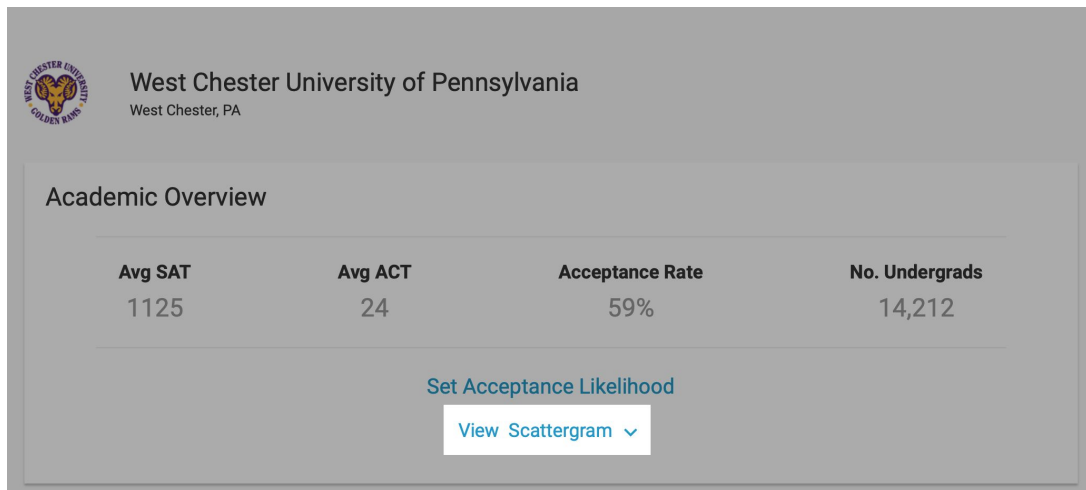

→ contains data on tuition, average net price, personalized cost estimates, loans, and financial aid statistics.

College Wall

→ you can browse all the content **SCOIR** has curated for a college; including clubs, activities, and athletics.

Scattergrams on SCÖIR

→ Scattergrams display historic application outcomes for colleges when enough data is available.

→ You can view scattergrams on a College's Details page by clicking on the "Analysis" link in the top left next to "Overview" & "Wall"

My Colleges on SCÖIR

→ You can add a college to “My Colleges” from:

- ◆ Student Dashboard
- ◆ College Search
- ◆ College Details Pages
- ◆ directly from within “My Colleges”

The screenshot shows the SCÖIR 'My Colleges' dashboard. At the top, there are navigation links for 'College Search', 'My Colleges', and 'My Profile'. Below the navigation bar, the dashboard is divided into four main columns, each with a title and a list of colleges:

- Suggested (1):** Schools you may like. Includes DeSales University (Center Valley, PA) with a 'Not Interested' button on the left.
- Following (3):** Schools you like. Includes The University of Alabama (Tuscaloosa, AL), Tross University (Angola, IN), and West Virginia University (Martinsburg, WV).
- Applying (1):** Applications in Progress. Includes Duke University (Durham, NC) with a 'Request Recommendation' button.
- Applied (7):** Submitted Applications. Includes University of Pennsylvania (Philadelphia, PA), Drexel University (Philadelphia, PA), Temple University (Philadelphia, PA), Alabama State University (Montgomery, AL), La Salle University (Philadelphia, PA), and Pennsylvania State University (Main Campus, University Park, PA).

Each college tile displays its name, location, and application status (e.g., 'Enrolling', 'Deferred', 'Pending', 'Accepted'). A 'View (8)' button is located on the far left of the dashboard.

→ You can set the Acceptance Likelihood of a college.

- ◆ **Reach:** your academics are below the average accepted student.
- ◆ **Match:** your academics are of the average accepted student.
- ◆ **Safety:** your academics exceed those of the average accepted student.

→ “My Colleges” is broken up into five columns depending on your status with that college. College tiles can be moved from one column to another.

- ◆ **Following:** Colleges you are interested in
- ◆ **Applying:** Colleges you plan to apply to
- ◆ **Applied:** colleges you have applied to
- ◆ **Suggested:** Colleges your counselors have suggested
- ◆ **Not Interested:** colleges you are no longer interested in
